STATEMENT ON THE INAUGURAL HYMN

I take pride in endorsing this beautiful hymn because I have been involved intimately in its creation as Chairman of the Inaugural Committee of the Constitutional Convention which commissioned it as our inaugural hymn.

It is my hope that every citizen of this country, particularly our school children, will learn to sing it by heart as a song of patriotism.

The hymn "The Dawn of a New Day" is a beautiful combination of thought and feeling eloquently expressing the hopes and aspirations of our people. Its cadence is majestic and awe-inspiring. Our children and youths should understand and sing the hymn by heart with our national anthem during the flag ceremony in our schools.

Dr. Pajaro's composition pictures in sounds the coming of a dawn laden with the promise of a new day for our people. Every Filipino, young and old, should learn to sing the official hymn of the 1971 Constitutional Convention. Let our children sing it with our national anthem during the flag ceremony in our schools.

Let us teach the Constitutional Convention Hymn to our pupils and students. Every word of the hymn is full of significance. The melody has captured the emotion that every single phrase of the text seeks to convey. Let us have our children sing it from memory with full understanding of its meaning during the flag ceremony.
